VACCINE NANOPARTICLES ON BLOCKCHAIN

WHEN DID THE CLINTONS KNOW?

Emails between Hilary Clinton and Bill Gates reportedly reveal that COVID-19 vaccines are designed to put nanoparticles in the human BRAIN, and the NANOPARTICLES will communicate with Siri and Alexa to send songs about nanoparticles screaming up the BILLBOARD MUSIC CHARTS. *(My pal GORDO confirmed this, and I believe him because we got really drunk in the pangolin ENCLOSURE at the ZOO last NOVEMBER while we were writing CHRISTMAS cards to my friends in Wuhan. DRUNK GORDO told me he has SEEN the EMAILS! – Ed.)*

STEPHEN SEAGAL PUNCHES COVID ... IN THE FACE!!!

CIA BLACKOPS XMAS PARTY "A REAL BANGER"

After a heated bout of fisticuffs, Steven Seagal told reporters "not only is COVID a sad wimp, it's also an engineered plague – just like EBOLA." Seagal's position as a Hollywood OUTSIDER puts him in a better position than most to observe and understand REALITY. What more do citizens need to hear? *(I AM ALSO a Hollywood outsider – Ed.)*

MIKE WOOD STILL SINGLE MOTHER CAN'T BELIEVE IT

"I always thought he was the smartest, handsomest boy in his school."

HISTORY IS FAKE!

THEY CANNOT PROVE IT IS REAL

Experts agree: 2020 has been achingly slow. It may surprise readers to learn that HISTORY ITSELF is many centuries shorter than we've been TOLD. Many historical documents are either CONVENIENTLY missing or have been obviously FABRICATED, for POLITICAL REASONS. Patriots should be wondering who might benefit if the "achievements" of the Greeks or Romans had actually taken place in the Middle Ages. How can swing voters be sure Democracy wasn't invented and perfected by the Russians in the late 1400s? "Experts" weren't there to see it. *(How could the STATE-SPONSORED "POLICE" know it was ME pirating packages off my neighbours' porch? THE COPS WERE NOT THERE except for that one time. You know what IS in those houses? FLUORIDE. – Ed.)*

EDITOR'S NOTE

SCHEDULED ARRIVAL OF WINTER MEANS...

GLOBAL WARMING IS A HOAX

Maybe you've been living under a chemtrail, but LOOK OUTSIDE. I've shoveled the driveway four times this week. Where was my plastic shovel made? That's right – CHINA. They want you to change all your LIGHTBULBS to the kind that make your mirror reflection look DEAD, but they'll still sell you a snow shovel. You can't have it both ways, CHINA! I can't burn millions of tonnes of COAL in my BACKYARD to power my LIGHTBULBS and I have to do all the SHOVELLING myself? Yeah right, CHINA! If those robots from YouTube can do a backflip, they can shovel.

COVID-19 VIRUS INFECTS EMAIL, PELOTON

It is widely accepted that an airline pilot was directed by the CIA to fall madly in love with a monkey, and that's where HIV came from. Similarly, COVID-19 was invented by the CIA to keep us from going to see opera and football in person *(and to keep airline pilots from falling madly in love with ME – Ed.)* WHY do you suppose THAT is? They don't want HETEROSEXUALS to know that football jockstraps are manufactured by the same secret facility IN CHINA where they make RUSSIAN BALLET MILITARY STUFF! *(do the reading! – Ed.)*

REPTILE OR AMPHIBIAN? CRICKET-EATING COASTAL ELITES

Most right-thinking people believe all of our political and business leaders are REPTILES. Absolutely not! Experts do not know enough about the lifecycle to be certain if our political and business leaders are reptiles or amphibians. WHICH is just how the ELITES like it! The question remains: can our political and business leaders sustain at least part of their lives underwater? Armed with the ANSWER, the next revolutionary course of action is clear: either the destruction of all heat lamps and tanning beds, or the poisoning of every freshwater marsh. *(in either case, anyone who eats crickets is suspect. And I KNOW the US election was RIGGED because I voted 12 times for a fellow OUTSIDER even though I'm not a US "CITIZEN" and therefore we all know he should WIN. – Ed.)*

CALL CENTER SHOCKER: "INDIA IS A FABRICATION"

YOU ARE NOT YET ACTUALLY UNDER TAX INVESTIGATION

The LAMEstream Media will tell you that the population on the Indian subcontinent is growing – but have you ever tried to initiate sex after eating microwaved butter chicken leftovers from Date Night? REALITY CHECK: population growth requires LOTS OF SEX. This reporter has never been to India. Have YOU? How can readers be sure it's a real place? They can't. Patriots must stop believing the so-called "experts" just because they went to STATE-SPONSORED geography school. The STATE wants the public to think EXPERT "maps" are the only maps. Think for yourself. Be skeptical. Canada and Australia have PROVINCES, not STATES. Don't let THEM tell you what to THINK. *(Wake up and smell the INTELLECTUAL COLONIALISM! – Ed.)* Voters must stop calling people "Indians." As we go to print, there are emerging reports that MILLIONS of people called "FARMERS" *(wait, I thought they were "Indians" – they can't even keep their story straight! – Ed.)* are on STRIKE in "India" which is nothing more than a CONVENIENT way to distract the SHEEPLE from foreign WEATHER CONTROL, which is what ACTUALLY killed Chuck Yeager – DESPITE what the LAMESTREAM MEDIA will tell you. *(Do your research! – Ed.)*
